

The Leadership Engine Training Year has run for five years and has trained and equipped over 130 leaders, many of whom are now in senior church leadership roles. Our VISION is to see NEW & EXISTING leaders equipped & released to serve God & HIS Kingdom: Sound in their theology, Strong in their character, Secure in their gifting and Stepping into their missional purpose. This year we are re-shaping the structure and launching a second year of the course.

Each year will consist of:

- LAUNCH WEEKEND: covering a Friday and Saturday
- SIX further MODULES spread over the year, three will be via teaching videos and a zoom tutorial, three will be a day of teaching on a Saturday
- IN CHURCH MENTORING: A mentoring programme set up within your local church, ensuring every student on the full course gets the best out of the year and grows in their faith and their gifting
- HOME STUDY ACTIVITIES: Optional extra study activities following on from the modules.

Year ONE is open to anyone in a leadership role or an aspiring leader within a church setting. Year TWO is open to anyone in a senior leadership role in a church (leadership team, responsible for a ministry or department, etc) and we highly recommend you have either completed Year ONE or a similar level of theological training. The two courses will run concurrently (same day, same venue).

Acceptance on the course is via a short application supported by a reference from the local church. Each year costs £425 per person (all accommodation, food, resources and teaching included).
