## co-labs

monday 16:30

sports hall - paul & perriane brownback, stuart & irene bell - resilient leadership

this co-lab will provide material from decades of leadership experience. It will bring practical insights gained to do with the inner strength of the leader and the ability of the leader to negotiate different seasons and challenges of church life.

derbyshire - thomas åleskjær  
generational potential

how generational thinking is at the very centre of God's heart - and a surprising cultural shift that serves the church with a unique opportunity

butterley 1 - justin humphreys  
planting in fertile ground: seeing the fruit of healthy church

safer, healthier culture does not happen by accident. as the church, we are called to reflect the character and behaviour of Jesus, to do this in a way that sets and maintains our culture requires constant attention and effort. this co-lab will explore six foundational elements of healthy cultures in any context.

butterley 2 - paul & joy blundell  
leading a church that brings renewal to all things

paul and joy walk through the possibilities for kingdom transformation in your community through the equipping and sending of the saints into all spheres of society.

tuesday 13:30

sports hall - louis kotze  
church health

exploring the basic building blocks for cultivating healthy churches that reflect God's love and purpose.

derbyshire hall - dave niblock  
we need young people

unlocking the power of youthfulness in a local church.

butterley 1 - theology forum  
cultivating the charismatic in the church

what does the bible actually say about baptism in the holy spirit, how do we pray for this to occur and how do we steward the charismatic in our services and gatherings? a co-lab to re-ignite us all to see a truly spirit filled church.

butterley 2 - joy blundell & perriane brownback  
paying attention, renewing our minds for the renewal of all things

take a journey with perriane to an integrated worldview of ourselves, God and all of creation.
