

Ground Level Alpha Launching September 2024

What is Ground Level Alpha?

Ground Level Alpha is an opportunity to come together as a Network of Churches to collectively be re-envisioned for a new season of evangelism and whole congregations mobilised and equipped to invite their communities to meet Jesus through Alphas launching September 2024.

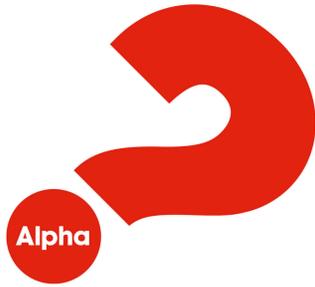

Why come together to host Alpha?

By coming together to launch courses across the network in September 2024 we will be able to engage with best practices making sure the experience of running courses continues to benefit and serve the church.

A centralised launch of Alpha, together with collective Team Training and Holy Spirit Days allows all Churches to create a great Alpha experience for guests, as well as making sure teams are well resourced and supported.

How will your Church benefit?

It's great to do something together, and together we can mutually encourage and cheer each other on while also benefiting from dedicated training, resources and joint Holy Spirit Days.

At the end of the course we will also have an opportunity to celebrate together the stories of what God has done through Alpha as a Family of Churches.

How do I sign up?

Please head over to our signup form and give us a few details so we can be in touch with more information (You'll need your Church Details as well as details of those running your alpha!)
