

Session 7

That's a good question!

Based on the book by J. John

How can God listen to everybody's prayers?

Big Game: What's that sound?

Have some household sounds recorded to play for the children. See if they can guess what they are?

Memory Verse

This is the confidence we have in approaching God: that if we ask anything according to his will, he hears us.

1 John 5:14

Big Read (p28)

The thing is that God is much bigger and greater than we can imagine. He is everywhere and he's capable of seeing everything all the time.

God can hear everyone's prayers at once because God is everywhere. We can only be in one place at the time at usually we can't hear more than one person at a time. Not only can God hear and understand everyone who is praying to him in many different languages, but he can also give each person his full attention.

Big Questions

Have you ever tried to talk to God?

How do you feel knowing God wants you to talk to Him and that He listens to you?

Big Activities

Decorate two paper cups. Make two holes at the bottom of each cup and attach the string. Have one child stand at each end and have a go talking to each other.

Big Prayer

Thank you God that you care about us so deeply you listen to every single one of our prayers. Thank you that you are never too busy for us. Amen
